NORFOLK ISLAND Regional Council

Help protect your birds from H5 bird flu

With the increased threat of H5 bird flu due to migrating wild birds, now is the time to take action to protect your birds.

- Keep bird feed and water out of reach from wild birds and feral chickens.
- Keep wild birds and feral chickens away from your birds by using netting or housing
- Keep aviaries and equipment clean
- Keep watch for signs of H5 bird flu and report sick or dead birds to the **Emergency Animal Disease Hotline** on **1800 675 888** (option 2).
- **Need help placing the call?** Call Norfolk Island Regional Council on **0100** (9am to 4pm).
- If birds are in Norfolk Island National Park: Call the park on **22695** or **53218**.
