MONTHLY OPERATIONAL PLAN UPDATES AVAILABLE TO VIEW

Council's 2026-2027 Operational Plan was adopted on 30 June 2026. Council is now providing monthly updates to the Administrators and community at every Ordinary Council Meeting.

For those in the community interested in following Council's progress and any changes to the Operational Plan, these monthly reports will now be available to view at www.nirc.gov.au/Your-council/Council-documents/Operational-Plans.

Operational Plans translate Council's long-term strategic goals into practical actions, projects and services to be delivered each financial year. They outline the priorities, performance measures and resources that guide Norfolk Island Regional Council's work and help ensure accountability to the community. The full operational plan for 2026-2027 can be viewed on the above link also.
