Request for Quote RFQ 8/2026 – Strategic Advisory Services Council is seeking quotations from suitably qualified providers to deliver strategic advisory services to support Council's ongoing program of service reform, strategic planning, infrastructure planning and organisational transition. Council has undertaken service reviews across core service areas and is progressing strategic planning and reform initiatives. This RFQ seeks to establish a defined advisory engagement to support these activities. The scope of services includes senior-level strategic advisory capability to support executive decision-making, service reform, infrastructure planning, governance improvement, organisational transition and long-term sustainability initiatives.	4:00pm, 29 June 2026
