

OPEN OPPORTUNITIES

1 October 2026

Details of Council opportunities that are currently open for submissions are listed below. Full details, including documents and how to submit, are available at nirc.gov.au/Your-council/Tenders-and-EOI

Open Opportunities	Submission closing date
Expressions of Interest MP EOI 6/2026 - Environment and Sustainability Advisory Committee (ESAC) Membership Due to a current vacancy, Council is seeking Expressions of Interest (EOI) from members of the community or representatives of relevant community groups or sectors for Council's Environment and Sustainability Advisory Committee (ESAC). ESAC assists Council on matters relating to Norfolk Island's sustainability, namely waste and wastewater management, water management (water quality and water security), biodiversity conservation and land management matters.	4:00pm, 14 October 2026
Invitation to Tender ITT 9/2026 (RFT) – Waste Export Vessel Service for Norfolk Island Council seeks to procure a dedicated marine transport service for removal of accumulated waste from Norfolk Island to an approved receiving location for lawful recycling, treatment or disposal. The required service is to provide a safe, compliant, reliable and value-for-money solution. The procurement is to be assessed on a whole-of-service basis, including marine transport, lifting, destination handling, onward transport and final disposal or recycling.	2:00pm (AEST) / 4:00pm (Norfolk Island time), 19 October 2026
